

Community Led Parish Plan Review Meeting 16th October 2014

attendees ; Mr D Hodge, Mrs M Rees, Mrs S Cope, Mrs S Gallivan, Ms V Hamblin, Ms M Howell, Mr D Wilson

apologies ; Mr R Hardy

Mr Hodge opened the meeting and gave an outline as to why the review is taking place and the aims in producing an update plan

- ⌚ Set the scene for the Parish for the next 5 years
- ⌚ Set long term objectives for the future of the Parish
- ⌚ The Plan must be seen to be supported by and reflect the wishes of the Parish community

Mr Hodge explained that whilst the Plan will stop short of a full Neighbourhood Plan it must however be robust and fulfil the criteria for Shropshire Council in order for it to be ratified and incorporated within Shropshire Place Plan.

The initial public meeting has taken place and the decision made to go ahead, the focus of this group is to plan how to take the Plan forward before the Parish community consultation takes place.

Exploratory discussions have taken place with Mr Hardy with a view to setting up an on line survey but there will also be a paper based survey for those with internet connection.
