

**Community Led Parish Plan Review Meeting
13 January 2015**

attendees ; Mr D Hodge, Mrs M Rees, Mr R Hardy, Ms V Hamblin, Ms M Howell, Mr D Wilson,
Mrs S Gallivan

apologies ; Mrs S Cope

SG and SC had reviewed the previous survey and their suggestions for the new survey were presented by SG. A full discussion took place and various amendments/additions/deletions were made. It was acknowledged that the 2008 survey was unwieldy and the new survey must be succinct nevertheless robust information will be required to formulate the new Parish Plan. SG will formulate a draft survey with the assistance of RH and forward to the group in due course.

The data received from the 2001 and 2011 has given sufficient information for DH to write an introductory piece for the new Plan commenting on the Socio Economic status of Hodnet Parish.

DH requested that upon receiving the draft survey that each member of the group review it and should also consider 3 questions

- what challenges face the Parish
- what should the Parish look like in 5 years time
- what needs to be done to achieve the future view of the Parish

Comments /amendments to MjR by 23 February for compilation.

Actions

DH to write introductory piece for the Plan
